

leerlingen moeten zelf weten wat
ze met hun telefoon doen

of

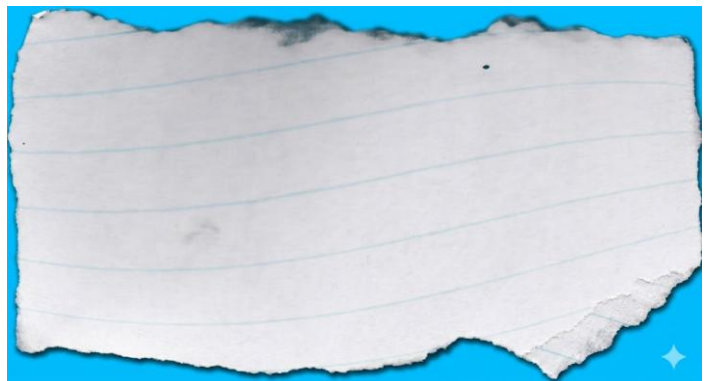

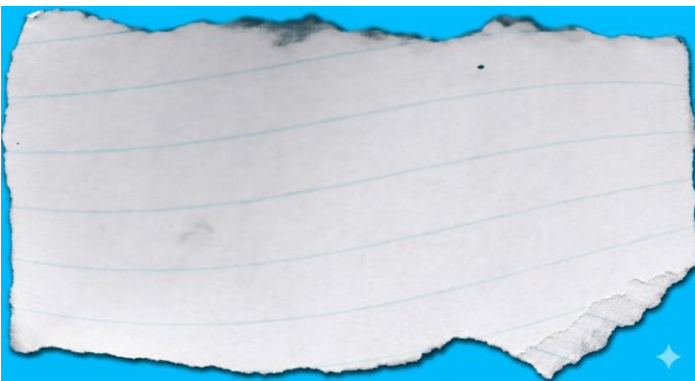

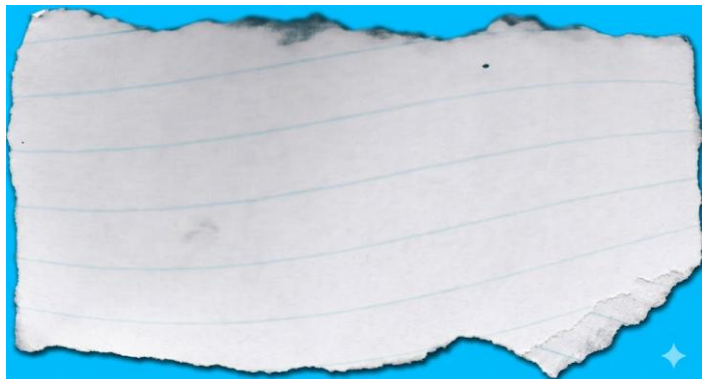

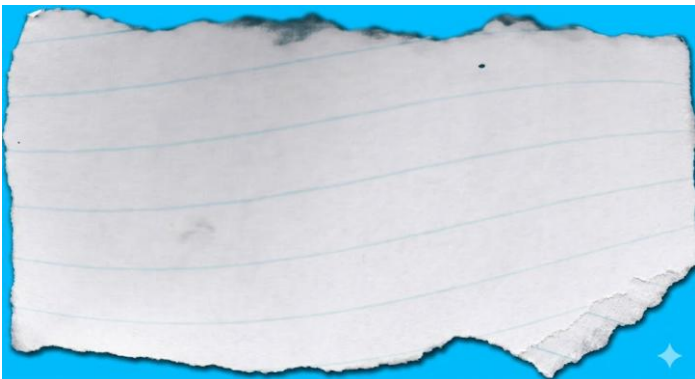

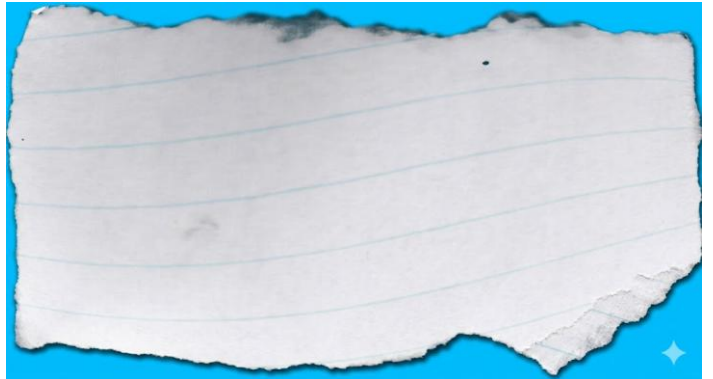

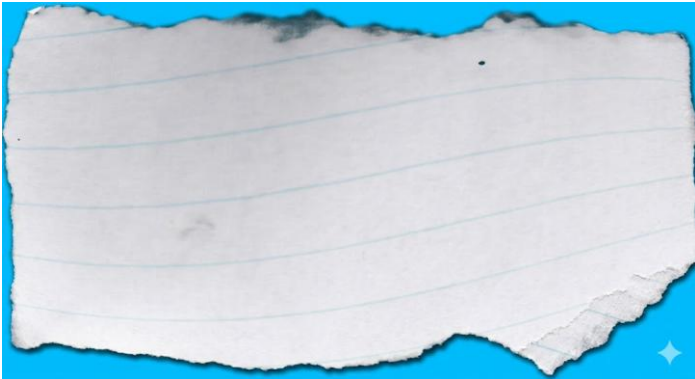

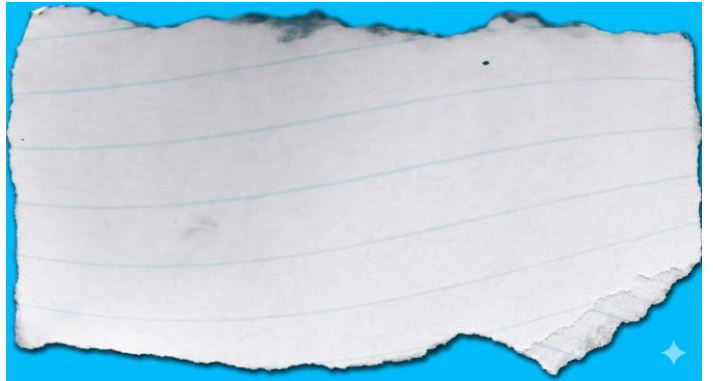

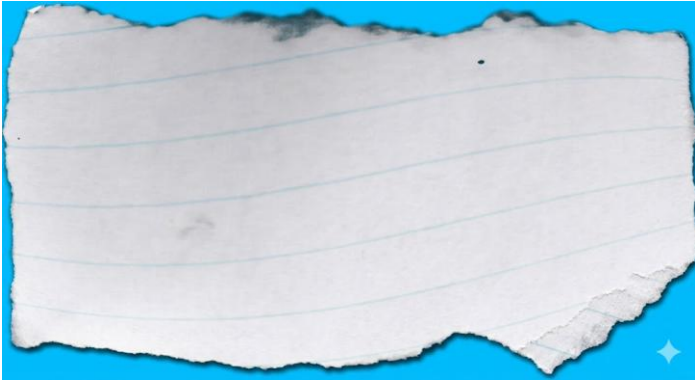

leraren mogen telefoons controleren
wanneer ermee gepest wordt

wanneer je er volwassenen bijhaalt
wordt het alleen maar erger

of

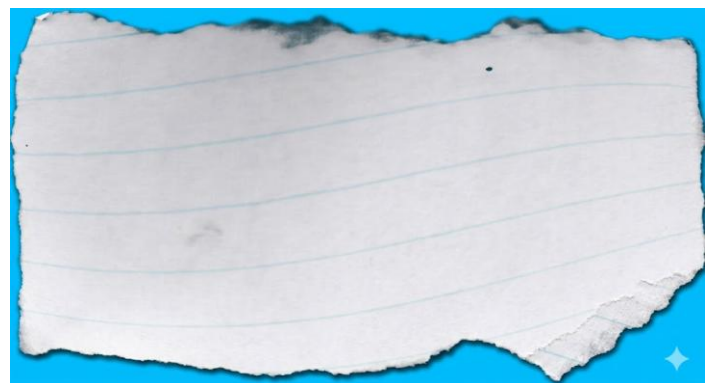

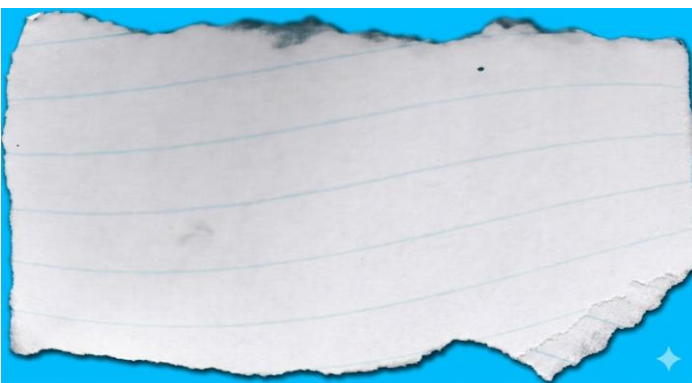

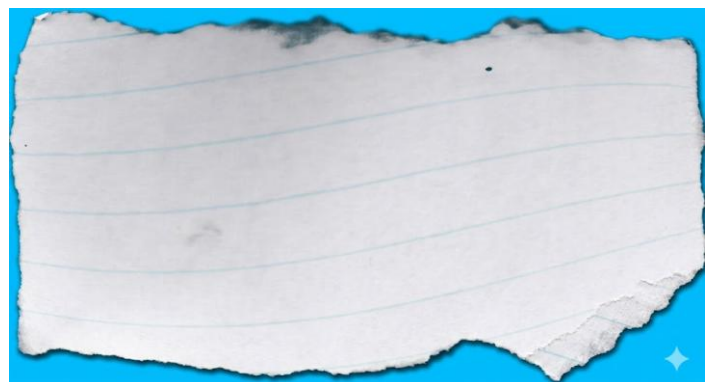

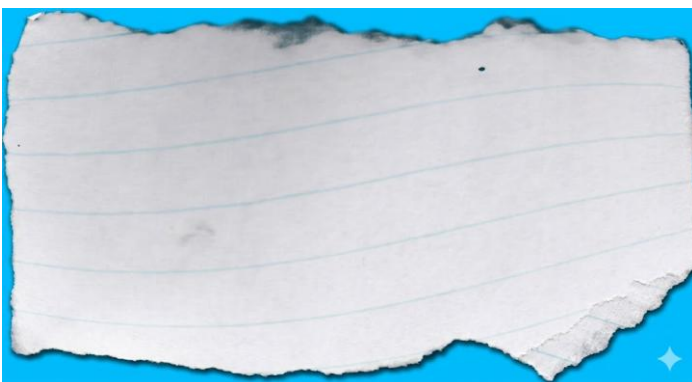

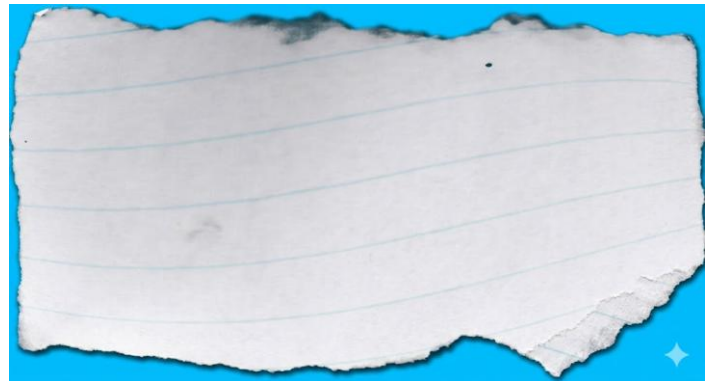

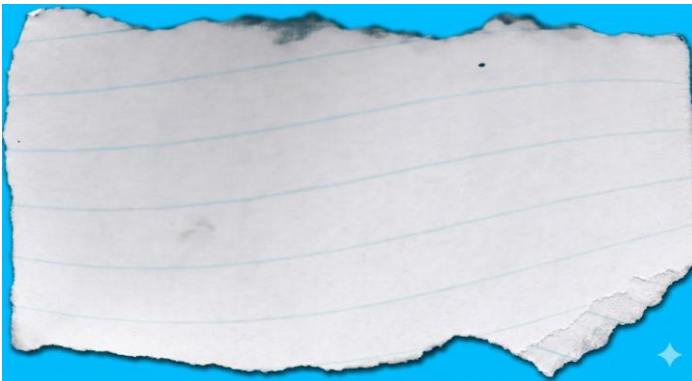

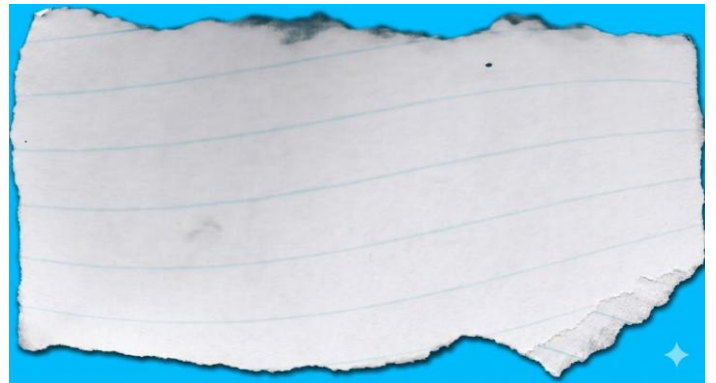

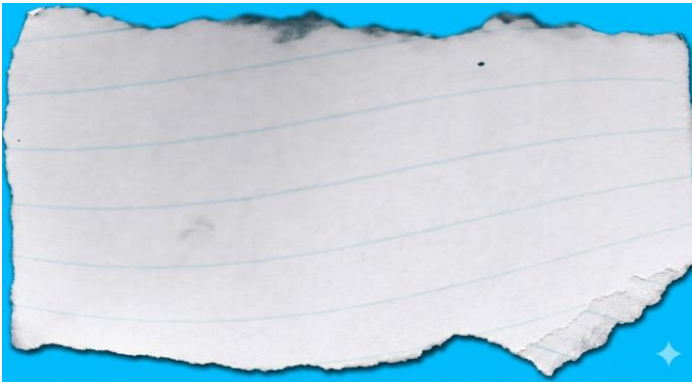

wanneer je volwassenen erbij haalt dan
wordt het wel opgelost

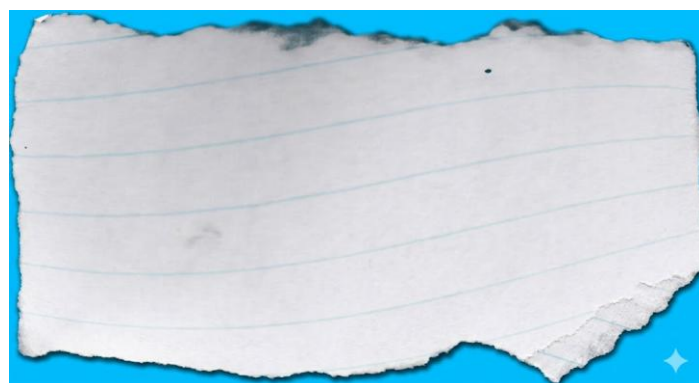

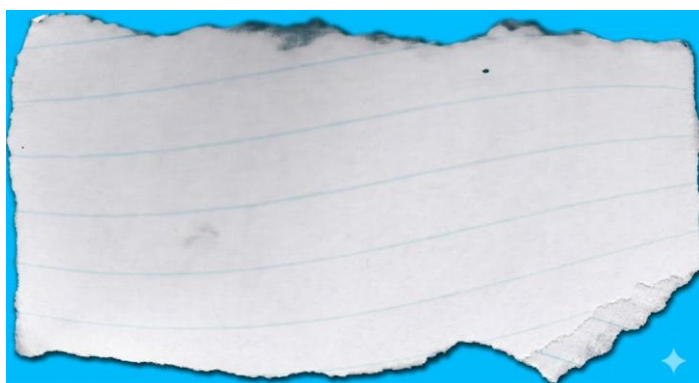

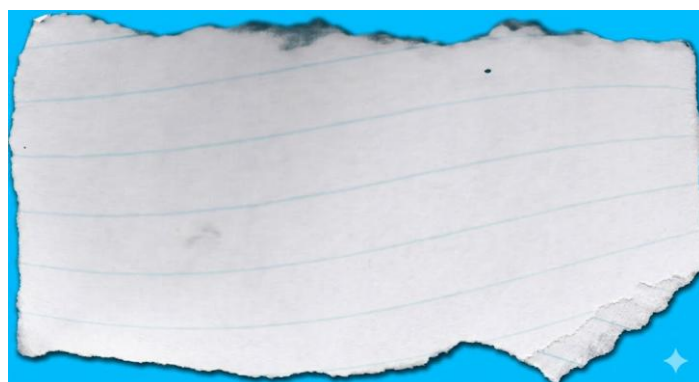

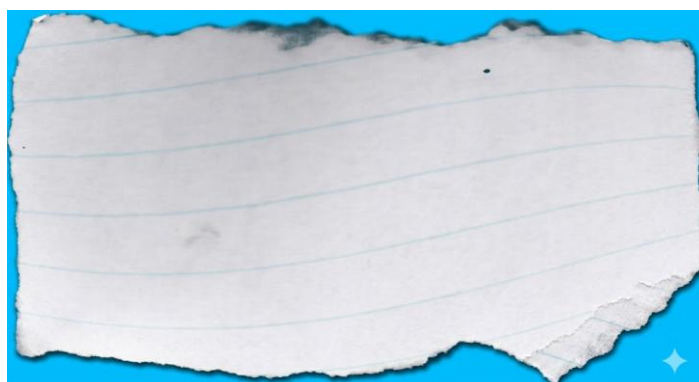

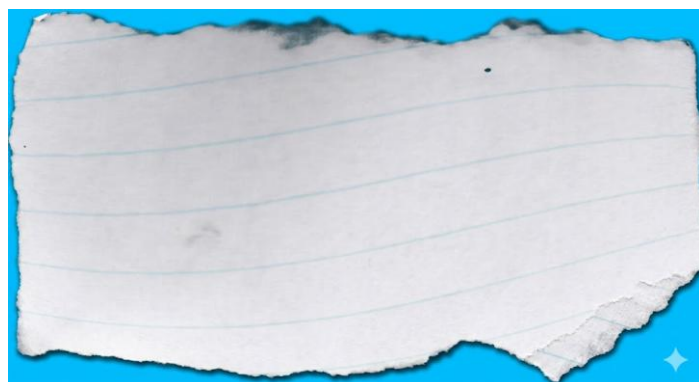

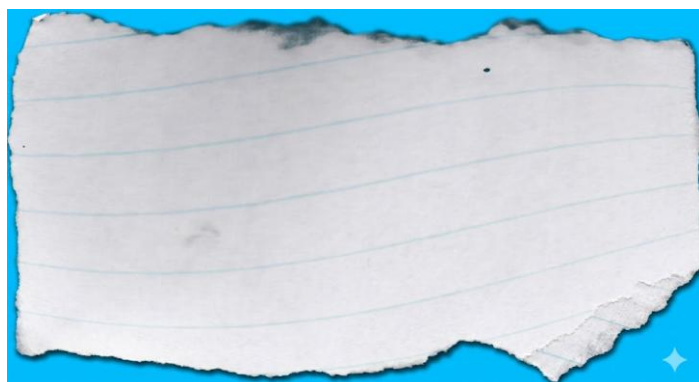

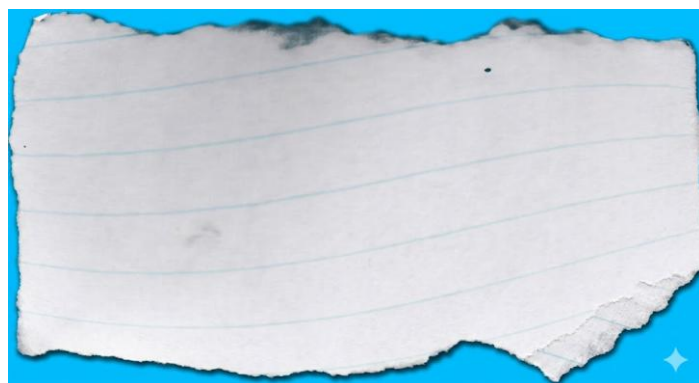

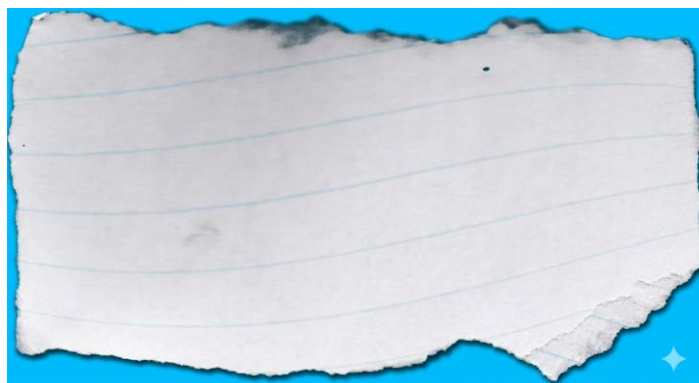

als je 'foute' foto's krijgt moet je die nooit
doorsturen en verwijderen

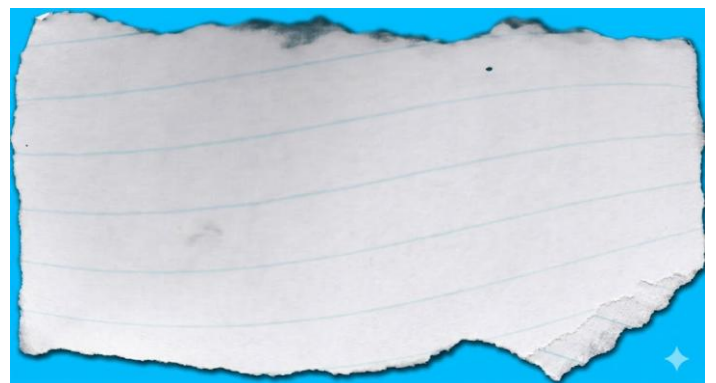

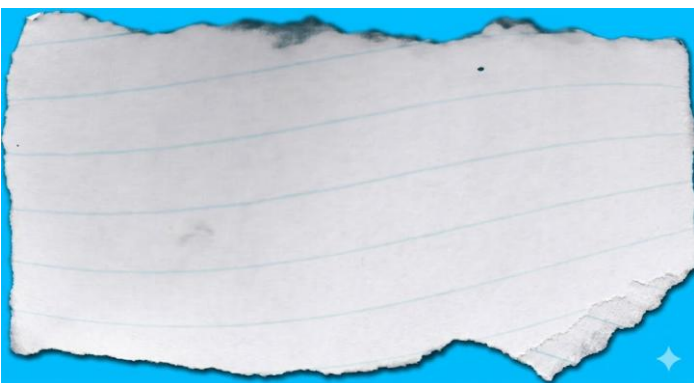

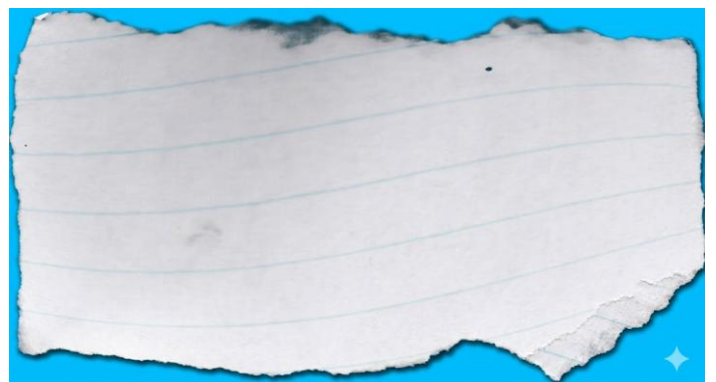

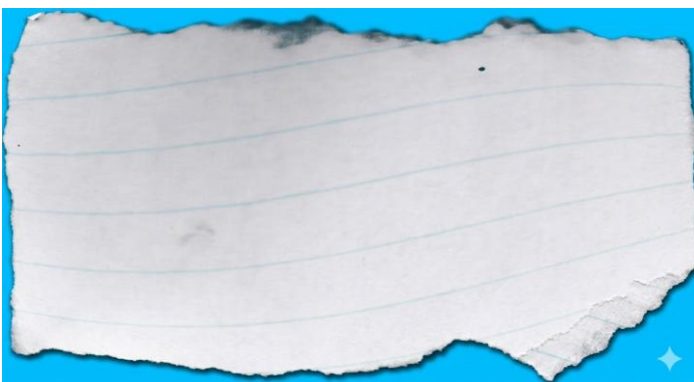

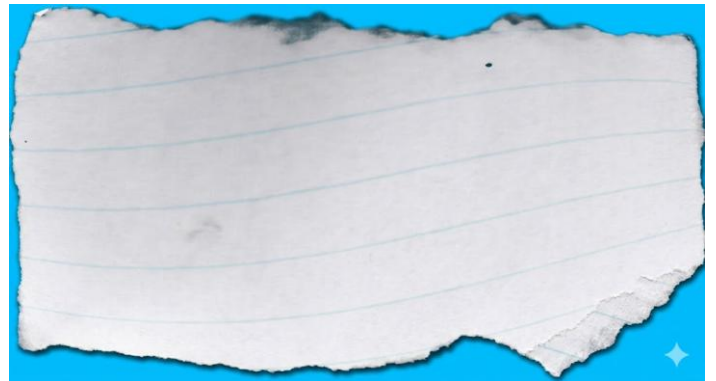

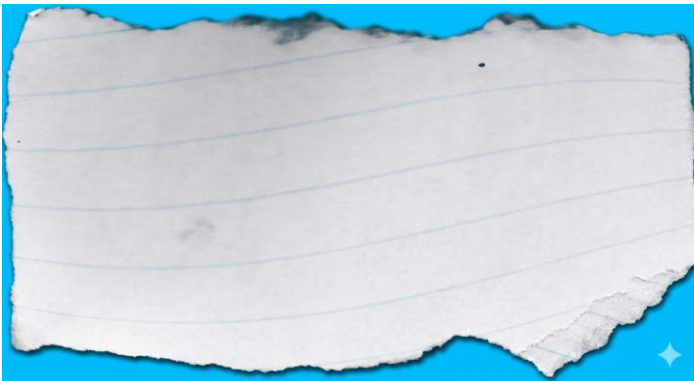

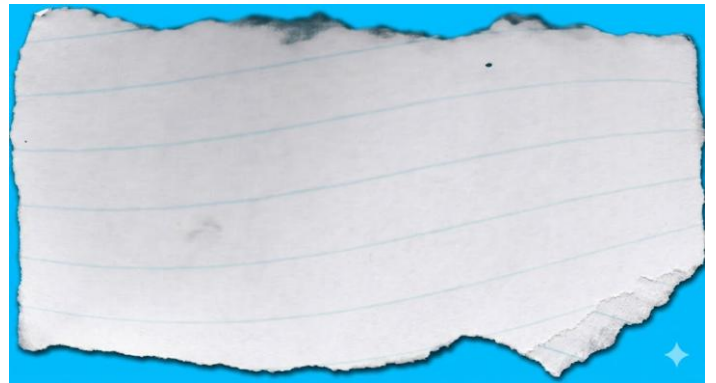

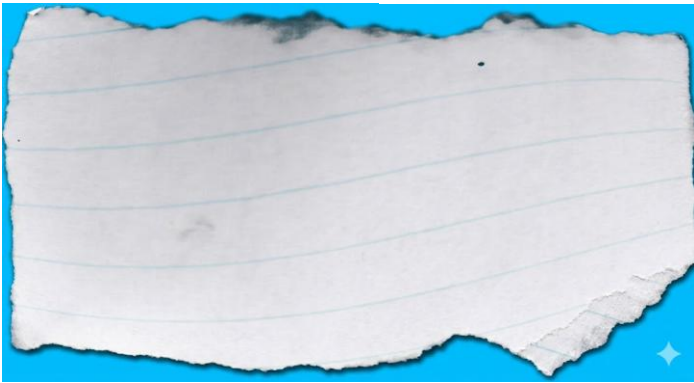

of

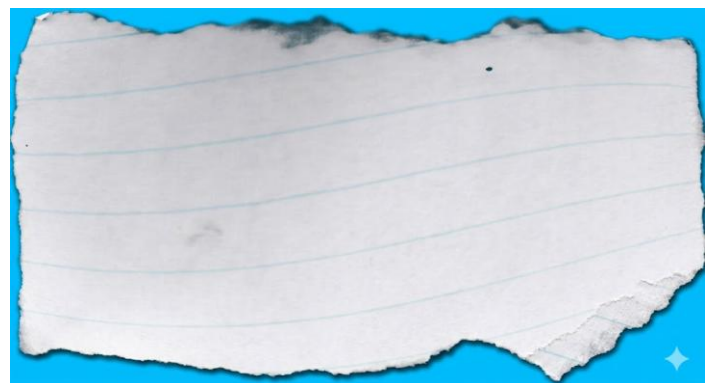

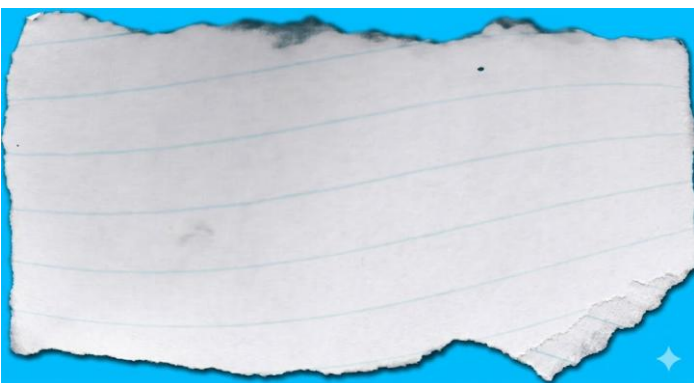

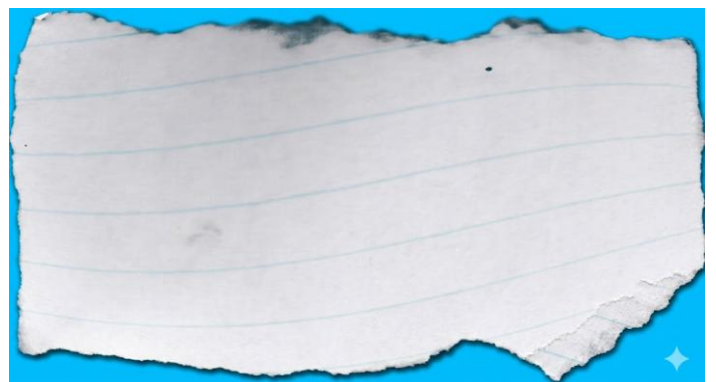

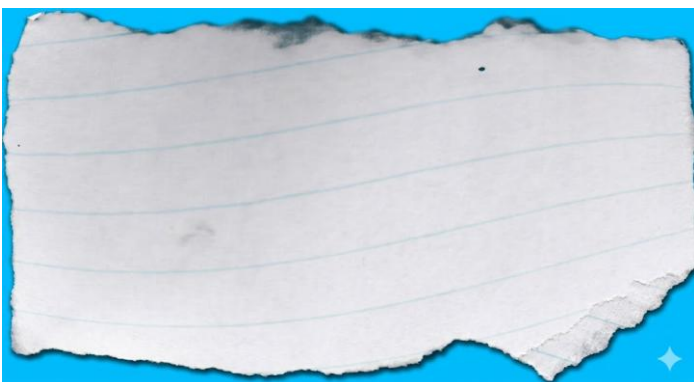

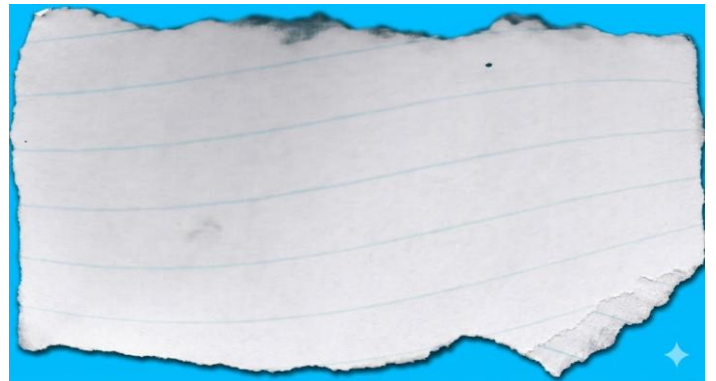

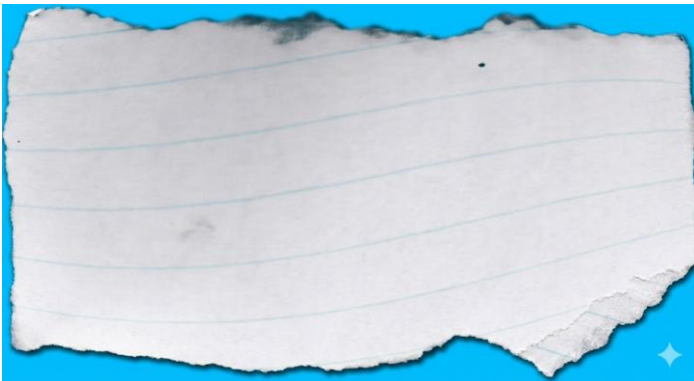

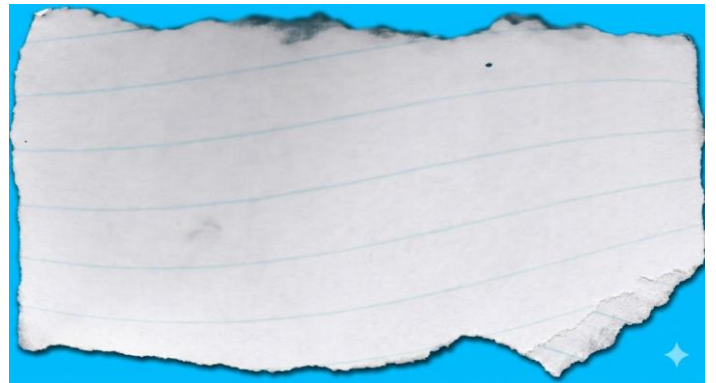

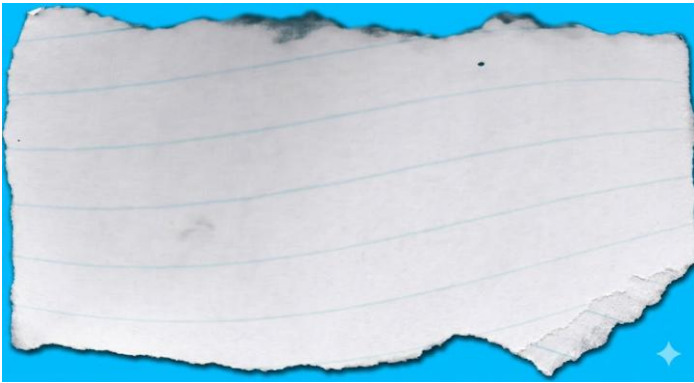

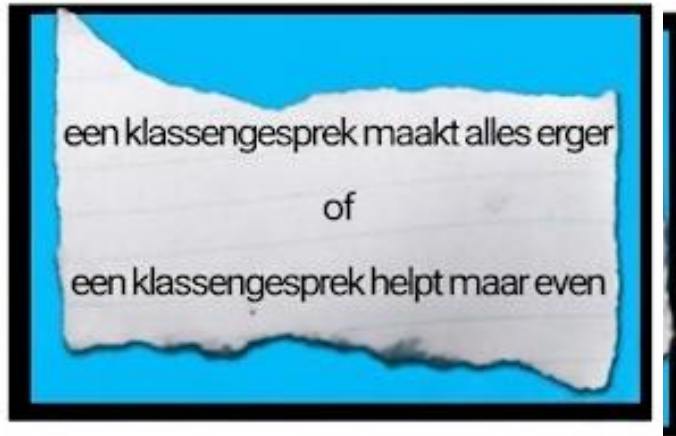

wanneer je 'foute' foto's krijgt moet
je meteen naar een volwassene gaan

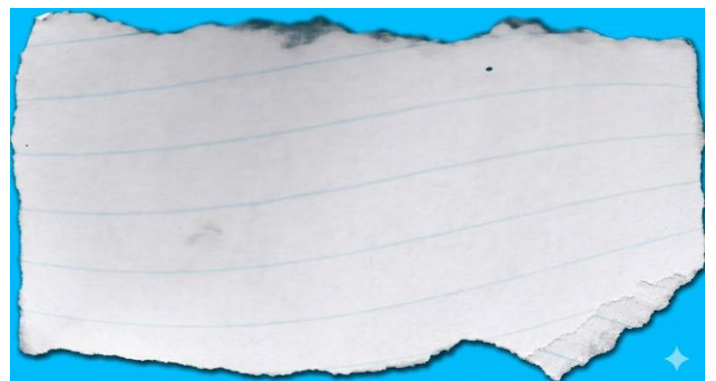

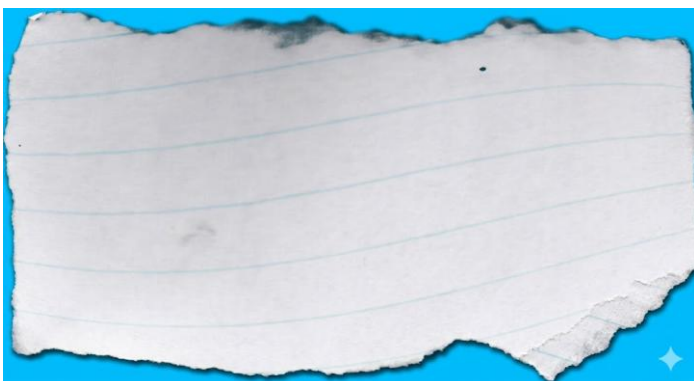

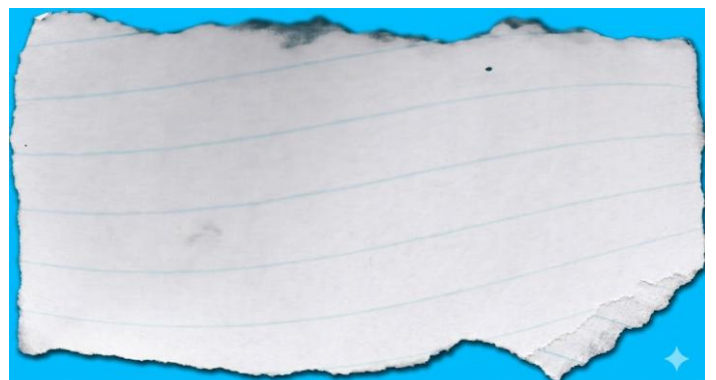

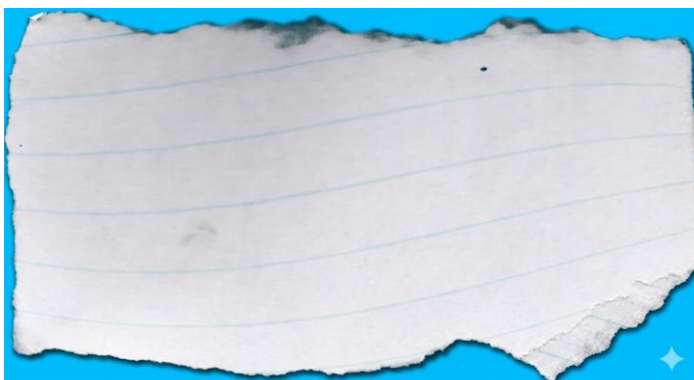

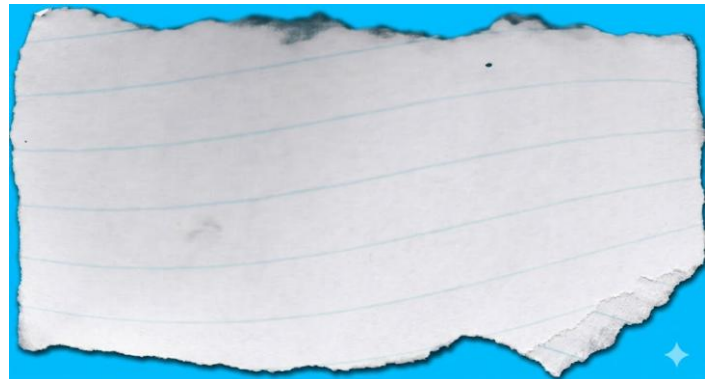

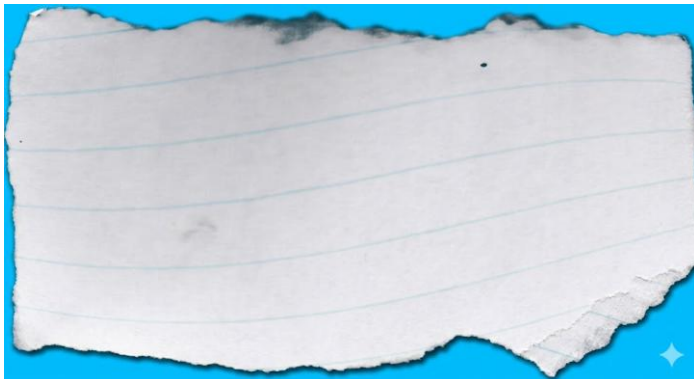

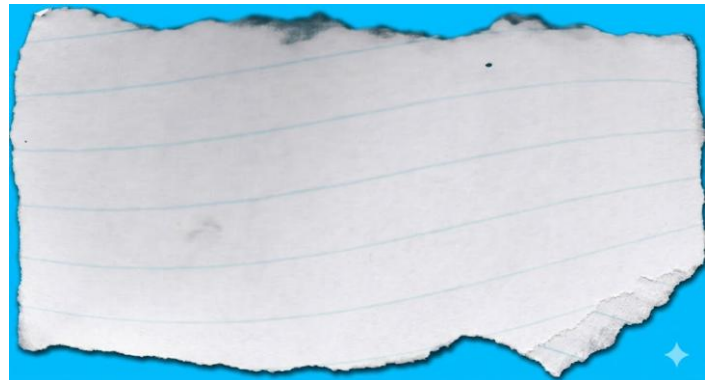

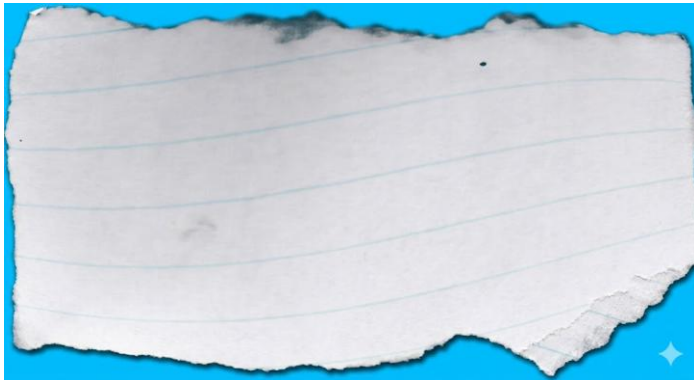

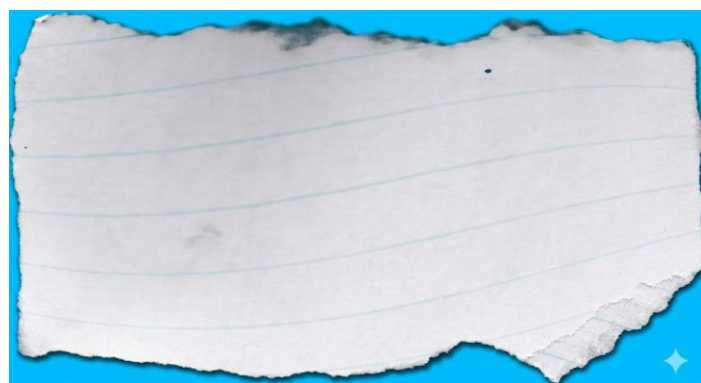

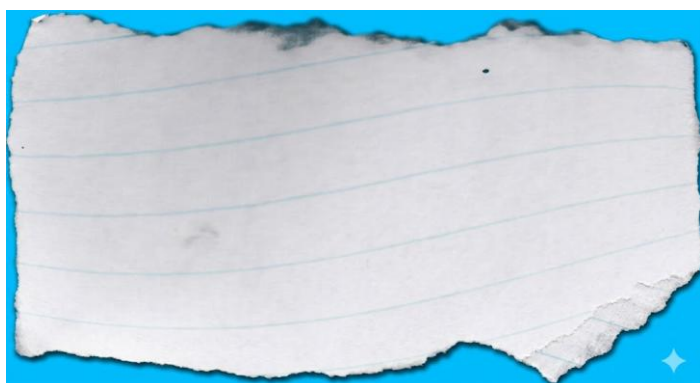

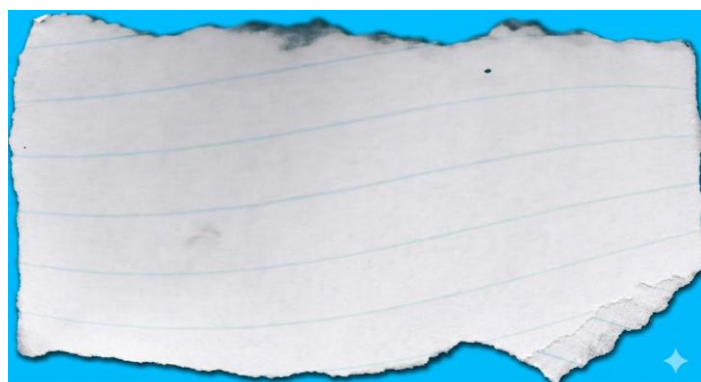

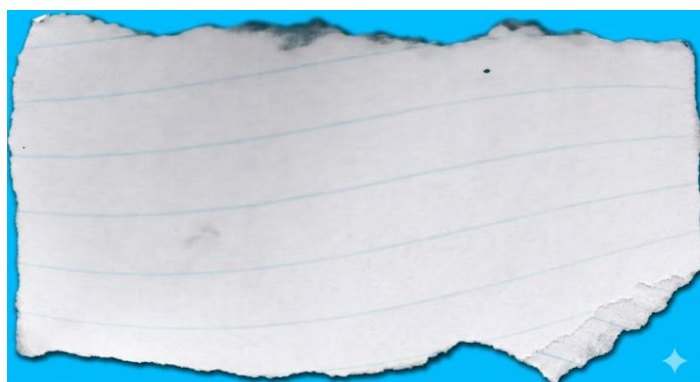

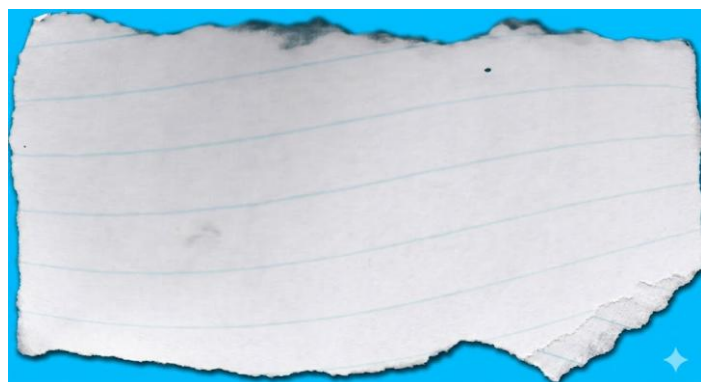

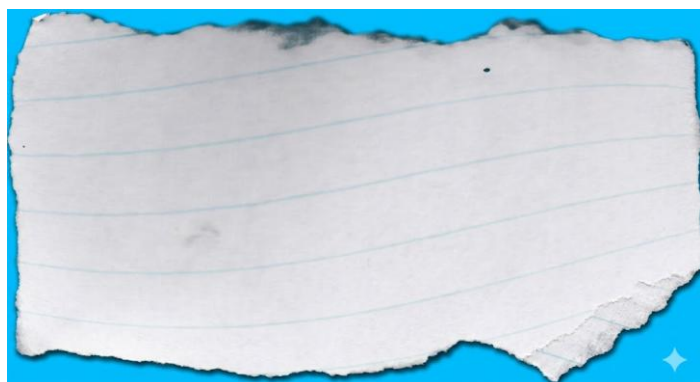

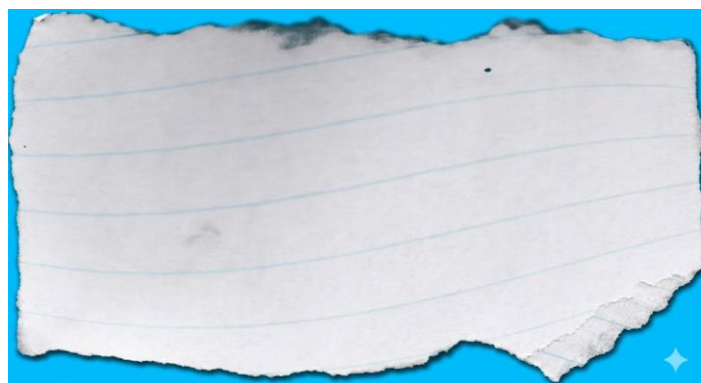

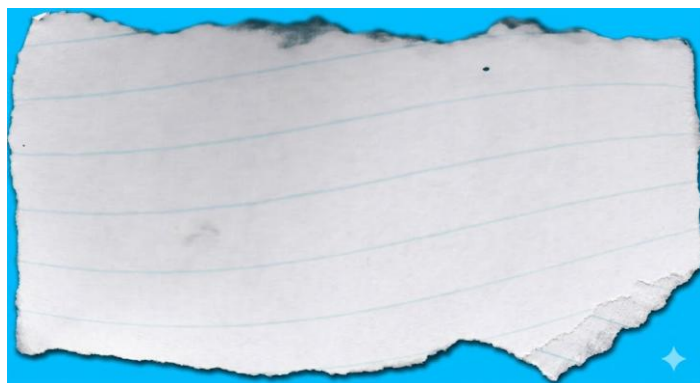

soms is een grap gemeen maar ook
grappig
of
gemene grappen zijn nooit grappig

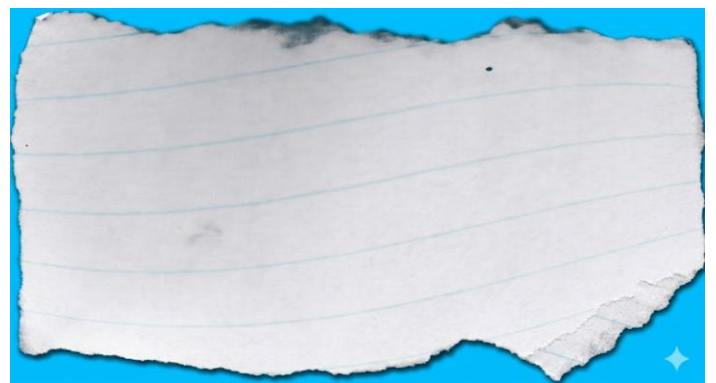

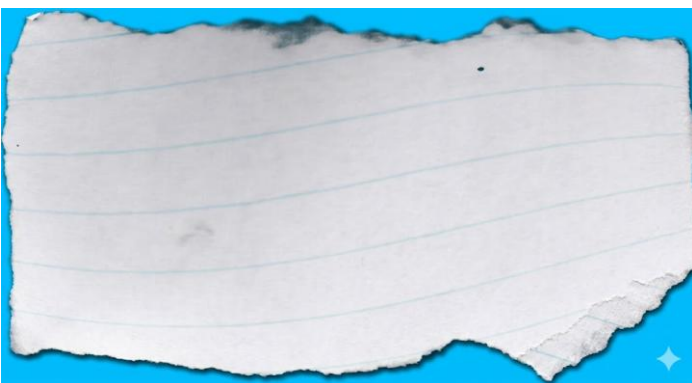

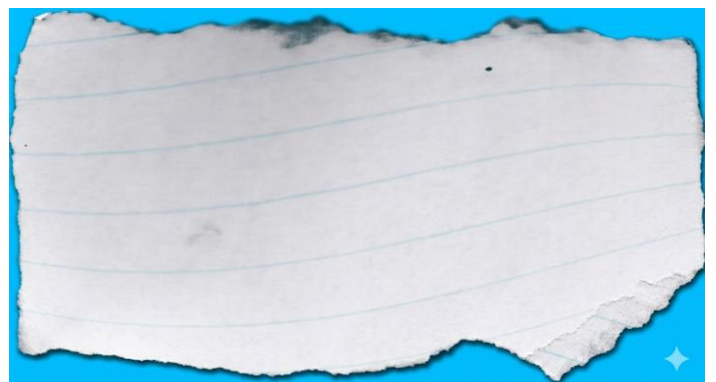

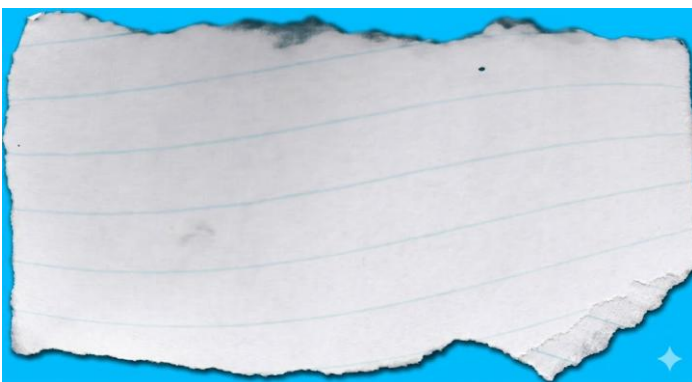

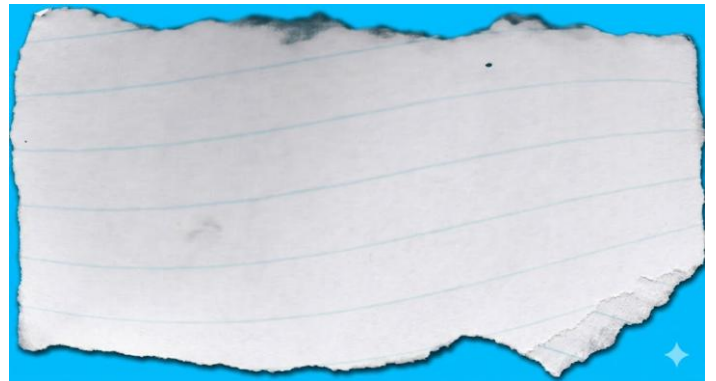

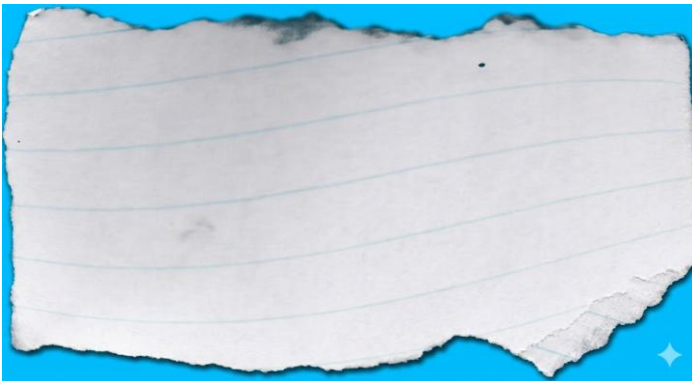

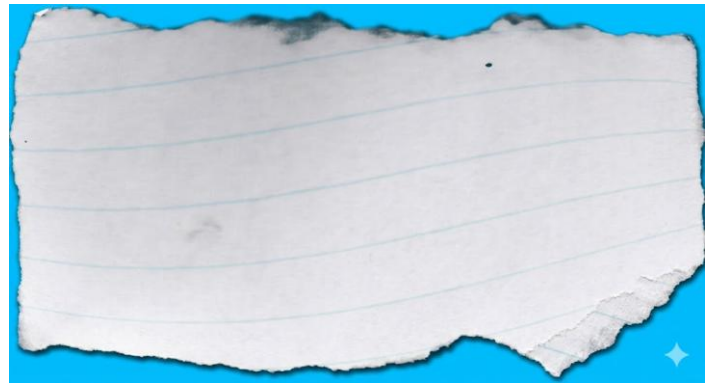

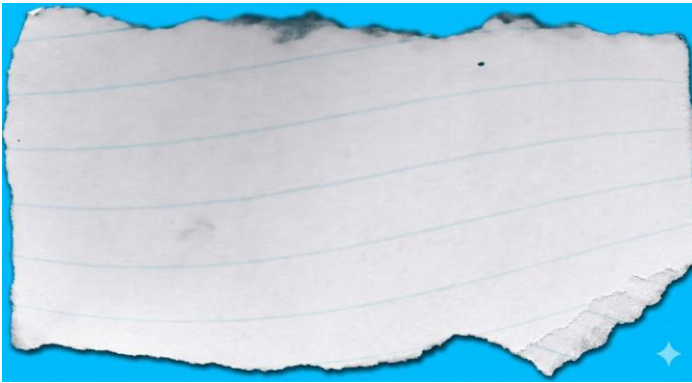

iedereen roddelt weleens, dat is gezellig
of
roddelen is een vorm van pesten

iemand uitlachen of slaan is erger dan
iemand niet mee laten doen

of

iemand buitensluiten is de ergste
vorm van pesten
